You've mastered Amazon! Now it's time to break into big-box retail. Our Retail Bootcamp gives you the tools, guidance, and insider strategies to scale your brand into stores like Target, Costco, and Best Buy.

Join a select cohort of 4–6 high-growth product brands. In just 4 weeks, collaborate, learn, and solve real retail challenges alongside other founders ready to make the leap from online to in-store.

Bring your biggest retail challenges — pricing, packaging, distribution, or buyer outreach — and work 1:1 with a dedicated Retailbound consultant to solve them.

MAKE AMAZON → RETAIL CONNECTION CLEARER

- ✓ **Retail Readiness:** Learn how to pitch and negotiate with buyers to land on store shelves.
- ✓ **Revenue Growth:** Move beyond Amazon sales by refining your go-to-market and retailer acquisition strategies.
- ✓ **Scalability Plan:** Build an actionable roadmap to meet retail demand.
- ✓ **Operational Efficiency:** Strengthen your supply chain and streamline operations for higher margins.
- ✓ **Brand Development:** Upgrade your packaging, messaging, and retail presence to stand out in crowded aisles.
